Total Cost: \_\_\_\_\_

the prices on the list should be editable, as the text in all 4

there is a coupon field that we can offer to add discount.

and then in the end the button “Submit project” but if they choose any of those options a paypal popup will open for them to make the payment

Options/actions:

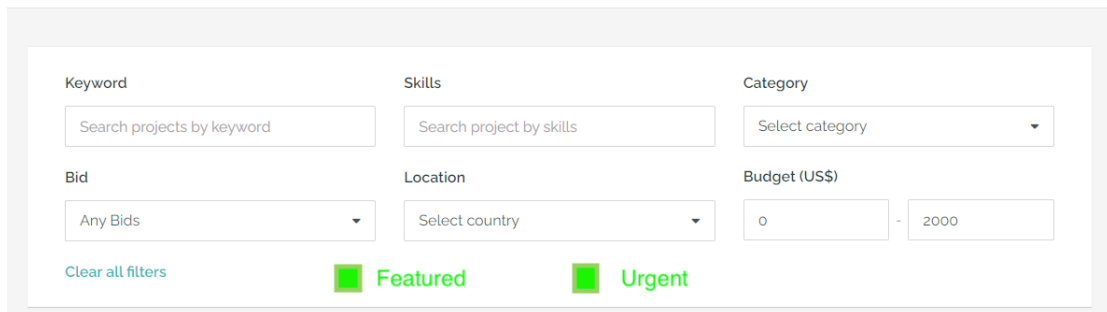

### 1- RECRUITER

we get an email that employer choose this option. The project still goes online as the others.

### 2 – FEATURED/URGENT:

when one of these options is selected the project will show in the search project page 2 choices to filter out these 2:

Available Projects

The screenshot shows a filter interface for 'Available Projects'. It contains several input fields and buttons:

- Keyword:** A text input field with the placeholder 'Search projects by keyword'.
- Skills:** A text input field with the placeholder 'Search project by skills'.
- Category:** A dropdown menu with the placeholder 'Select category'.
